

The image displays a handwriting practice sheet for the 'Foundational Hand for 3' using a 1.2mm nib. The page is divided into 20 horizontal rows. Each row is defined by two parallel lines: a solid top line and a dashed bottom line. The dashed lines are formed by a series of small, alternating black and white squares, creating a checkerboard pattern. The rows are arranged in a repeating pattern of solid-top/dashed-bottom, solid-top/dashed-bottom, and so on, providing a guide for letter height and placement.
